INDORE BRANCH *Chairman Message*

Dear Students,

Warm greetings to each one of you!

As we step into the promising beginnings of a new year, it gives me immense joy to connect with you through this January edition of our newsletter. The start of a new calendar year is always a powerful reminder of fresh opportunities, renewed aspirations, and the determination to achieve greater heights.

The past months have reflected your dedication, resilience, and commitment to excellence. As CA students, you are on a journey that demands discipline, perseverance, and continuous learning. January is the perfect time to realign your goals, strengthen your focus, and embrace the challenges ahead with confidence.

This month, we encourage you to channel your energy into productive learning, while also maintaining a balanced approach towards your personal growth. Alongside academic rigor, nurturing skills such as communication, leadership, and adaptability will play a crucial role in shaping your professional journey.

At CICASA Indore, we remain committed to supporting your development through various initiatives including academic sessions, skill-building workshops, and engaging activities. These platforms are designed to help you grow not only as competent professionals but also as responsible individuals with strong values and vision.

As you prepare for upcoming milestones, remember that consistency and self-belief are your greatest strengths. Stay curious, stay disciplined, and continue striving for excellence in everything you do.

Let us make this year a meaningful chapter filled with learning, achievements, and personal growth. I encourage each one of you to actively participate, stay connected, and make the most of every opportunity that comes your way.

Wishing you a focused, productive, and successful start to 2026.

Chairperson Message

Dear Students,

As we step into a brand-new year, I extend my warmest greetings to all the aspiring and dedicated Chartered Accountants. January marks not just the beginning of another month, but the start of new opportunities, fresh goals, and renewed determination.

The turn of the year is a powerful reminder that every ending brings a new beginning. It is the perfect time to reflect on your journey so far and realign your focus toward your aspirations. As CA students, your path demands discipline, resilience, and continuous learning and I encourage each one of you to embrace these challenges with confidence and positivity.

With upcoming exams and academic commitments, this period calls for consistent efforts and smart preparation. Remember, success is not achieved overnight; it is built through dedication, perseverance, and a strong belief in your abilities. Stay committed to your goals, and do not hesitate to seek guidance whenever needed.

CICASA Indore remains committed to supporting your holistic development. In the coming weeks, we aim to bring engaging sessions, insightful seminars, and skill-building initiatives that will not only strengthen your academic knowledge but also enhance your professional and personal growth. I encourage all of you to actively participate and make the most of these opportunities.

Let us begin this year with enthusiasm, clarity, and a strong resolve to achieve excellence. Together, let us make 2026 a year of growth, learning, and remarkable achievements.

Wishing you all a focused, productive, and successful month ahead.

With warm regards,

CA. IP Megha Jain

CICASA *Member Message*

Dear Students,

Warm greetings to all of you!

The journey of a Chartered Accountancy student is one of perseverance, discipline, and continuous learning. Each effort you put in today is shaping you into a competent and confident professional of tomorrow. With a new year before us, I encourage you to renew your focus, strengthen your commitment, and approach your goals with clarity and determination.

At CICASA, we remain dedicated to supporting your academic and professional development. In the coming months, we aim to bring you enriching initiatives including academic sessions, skill development programs, and interactive activities that go beyond textbooks and help you gain practical exposure.

January is also the perfect time to build consistency in your studies and cultivate habits that contribute to long-term success. Alongside academic excellence, focus on enhancing your communication, analytical thinking, and leadership qualities that define a well-rounded professional.

I encourage each one of you to actively participate in CICASA activities, collaborate with your peers, and make the most of every opportunity provided. Your involvement not only enriches your own learning experience but also strengthens our student community.

Let us begin this year with positivity, discipline, and the determination to achieve new milestones. Stay focused, stay motivated, and continue striving for excellence.

Wishing you a productive, successful, and fulfilling year ahead, and keep showing up for your dreams.

Warm regards,

PRAVAAH 2025 – A Conference to Remember

ANSHICA BHARDWAJ
CRO 0766333

Some experiences arrive unplanned, yet leave the strongest impressions. PRAVAAH 2025, the National Conference of CA Students, was one such momentan event that turned into a collection of memories, learning, and meaningful connections.

Being entrusted with the role of Master of Ceremonies for the conference was both exciting and empowering. Standing in front of a full auditorium, addressing hundreds of enthusiastic participants, was a reminder of how energizing it feels to be on stage. Holding the microphone again felt like reconnecting with a part of myself that has always enjoyed engaging with an audience.

Beyond hosting, the conference offered many memorable moments. The cultural evening added a vibrant touch to the event. Stepping onto the stage to perform after a long time, feeling the excitement of the crowd, and simply enjoying the moment made the evening incredibly special.

The sessions throughout the conference were equally impactful. Each speaker brought fresh perspectives and insights, making the event not just enjoyable but also deeply motivating for

everyone present.

The conference also provided the chance to meet and interact with respected educators like CA Bhanwar Borana Sir and CA Aakash Kandoi Sir, whose work continues to inspire students across the CA community.

Behind every successful event lies countless hours of preparation. Witnessing the careful planning, rehearsals, and coordination finally come together so smoothly was truly rewarding. The dedication and teamwork of the CICASA team played a key role in making PRAVAAH 2025 a memorable and well-executed conference.

Forming beautiful bonds for life will be one of the major highlights for me from the conference. The conference also led me to meet amazing minds and mentors like CA Narayan Somani sir, CA Samkit Bhandari Sir, and CA Megha Jain ma'am, for which I'd be forever grateful.

Looking back, PRAVAAH 2025 was more than just an event. It was a blend of learning, performance, collaboration, and inspirationan experience defined by the energy of the people, the quality of the sessions, and the joy of being part of something truly special.

From Compliance Professional to Business Partner: The Evolving Identity of a CA.

ISHWIN KAUR
CRO 0691148

When I hear the word Chartered Accountant in today's era, I no longer hear the only word custodian of numbers, but also see a shared vision of Chartered Accountants as an architect of business success. Although it's not wrong to say that while being a compliance professional builds a strong foundation of our career, we are no longer just limited to the so-called traditional roles of providing assurance, managing direct or indirect tax, or preparing statutory financial statements, but are also bringing a revolution by emerging as strategic business partners in various businesses today.

While it is not wrong to say that Chartered Accountants have always played a key role in category of compliance, be it in any field, the role of CA's today is technically seen beyond just compliance. But before we break down that fact, let us first understand the foundation the compliance expert part.

Key responsibilities

1. CA's ensure that the financial statements are prepared accurately as per all the applicable accounting standards.
2. CA's ensure that businesses have complied with all the tax regulations.
3. CA's provide assurance that financial statements are fair and reliable.
4. CA's also help in identifying and managing various financial risks.

The Beginning of the Revolution The Shift.

With the rise of technologies like artificial intelligence and data analytics, the Chartered Accountants are no longer walking hand to hand. They are rather making themselves global, with already moving beyond compliance part, playing key roles today as strategic advisors, business partners and trusted advisors.

How Technology is changing the Fraternity and Key roles

1. **Sustainability and ESG** – CA's help in ESG reporting and suggesting sustainable and viable business practices.
2. **Advisory Roles** – The insights of CA's in cost management and profitability are crucial for success of any business.
3. **Leaders in the Digital World** – CA's help companies adopt technologies, ensuring necessary compliances alongwith.

Conclusion –

However, the key point here is – whether a Chartered Accountant chooses to be a compliance professional or a business partner, the future of CA will belong to those who treat learning as a permanent discipline, because a successful Chartered Accountant is one who not only knows how to handle Compliance, but leads the world with Digital Transformation, and ethical Conduct.

ROUGH PHASE! I'M A TOUGH CHASE

HARSHITA WOHR
CRO 0638820

The tide rises, the tide falls. Some days the twilight darkens but then the sun brightens. Life is a series of moments or rather call them phases- some good, some bad. Be it sailing through tides or waving from glides, whenever life gives a slide just open your parachute wide. The parachute of your strength & perseverance, the parachute of self belief & will power.

Life shrinks or expands in proportion to one's courage. Pick up the shattered pieces of life, draw up your courage again. Build up your strength, dawn or dusk; time and again. Then, even the roughest phase will stop chasing you. Like the winds gusting by it too shall pass. The toughest decision in life is whether to walk away or try harder. But victory is not the biggest glory. Falling every time & standing up again is. Chase your dreams with your diligence & your endeavours won't go in vain. Someday you might stumble but the other day you'll move a step ahead. And looking at your grit & determination, even the hardest of circumstances would surrender one day.

See the moon, it too has phases. From full moon days to no moon days, it has all. But amidst all these phases it teaches that you don't have to be whole always in order to shine, you just need to walk your own path. As the earth continues to rotate & revolve, you also need to keep moving. And while you move, tell the rough phase that you are a tough chase.

ईश्वर का वरदान हे वो, बिना मांगे दिया गया उपहार है वो
बहुत कुछ मांगा उस भगवान से कुछ मिला-कुछ न मिला
केवल पापा आशीर्वाद जो हमेशा मेरे साथ हे,
बिना कहे सब दिला देते हैं क्या सही है क्या गलत वो सब जानते हे
तकलीफे कम नहीं है उनकी life में, पर कभी दिखाते नहीं है
सबको अपना मानते है, सबको साथ में रख कर चलना जानते है
मुश्किलें कम नहीं जिन्दगी, में उनकी फिर भी अकेले ही
सब सहना जानते है, कमाल है न
मम्मी अगर कुछ कह भी दे तो बुरा नहीं लगता है पर
वही बात पापा थोड़े से गुस्से से कहे तो आंसू निकल आते है
पर ये बात हम भी जानते है, हमे आंसू बहाता देख
ज्यादा देर गुस्सा नहीं रह पाते है
फिर वही बात को प्यार से समझाते हैं
पिता, पापा, Dad कुछ भी कहो उन्हें
नाम उनका जैसे भी लो
उन के आंसुओं से तकलीफ होती है और
उनकी मुस्कान देखकर सुकून मिलता है
भगवान ने भी उनको कितना धैर्य और
कितनी सहन शक्ति दी हे
सब मुश्किलों को
अकेले ही हल करने की हिम्मत दी है!
